Dear Sir:

In response to a request from the Examiner dated 04 December 2006 to provide an Interview Summary, Applicant's representative David Franklin acknowledges that a telephonic interview occurred 24 November 2006 with Examiner Frankie L. Stinson of Art Unit 1746 to discuss the above-identified application. To the best of my recollection, I merely restated arguments contained in the then recent Amendment and Response electronically filed on 13 November 2006. No exhibits were presented nor additional claim amendments proposed. I do not recall that any agreement or disagreement was made on the pending claims or remarks nor were any remarks made on either side that has not been previously presented within the file history of the above-described application.

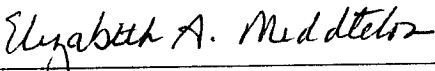

Respectfully submitted,
